

Thank you for expressing your interest in our scholarship opportunities. We encourage you to thoroughly review the descriptions of each scholarship and apply to the one that aligns best with your qualifications and aspirations. Wishing you the best of luck in your application!

****We welcome all BIPOC NJ Students to apply for our scholarships! We will need a copy of the Fall 2024 class semester, a letter of school acceptance, or a letter of graduation from your college/School. These scholarships are for College students and or Young Professionals who recently graduated college.****

Open: March 15th- May 1st 2024

Closes: May 1, 2024 at 5pm

Submissions: info@inspiranj.org

Winners will be announced by July 3rd via email. Arrangements will be coordinated with all three winners to ensure they can personally collect the award check and participate in both individual and group photo sessions in August 2024. Follow us on social media for any updates!

Inspira's Diversity in STEM Scholarship: This scholarship aims to support underrepresented groups in STEM, including but not limited to women, minorities, and individuals from low-income backgrounds, fostering diversity and inclusion within the field. We invite you to showcase your work through a video presentation, portfolio, or essay highlighting your talent in this field. We welcome submissions in various formats to ensure inclusivity and equal opportunity for all applicants.

Inspira's Visionary Scholarship: This scholarship is dedicated to empowering students who are passionate about the arts and humanities, nurturing their creativity, critical thinking, and appreciation for cultural diversity. We encourage you to share your talent and dedication through your finest portfolio pieces, artwork, essays reflecting your love for this field, captivating videos, or any other form of expression. We eagerly await submissions in all formats, celebrating the diverse voices and talents within our community.

Inspira's Executive Scholarship: This scholarship seeks to embody the synergy between empowerment and analytical acumen, emphasizing the significance of exploring the multifaceted realms within the field of business majors. We aim to spotlight attributes like leadership, innovation, and social responsibility. Share with us your most compelling essay illustrating your passion for this domain or your outstanding project, research paper, or any other work of your choosing. We welcome submissions in all formats, embracing the diversity of perspectives and contributions within our community.
