

# Emeral Neloms

I am 19 years old & I am a student at Kean University, majoring in Political Science with a minor in Psychology, plus a teaching certification in Yoga. I proudly contribute to Kean's vibrant community as an active member of the Women's Soccer & Dance teams. I am also the Social Media Manager for the school's Diversity, Equity, & Inclusion initiative.

My commitment to social justice & mental health advocacy fuels my passion for creating a more equitable world. Recognizing the power of every individual's voice, I am determined to be a voice for those who may not have the opportunity to speak up. Through my diverse involvement & unwavering belief in the potential for change, I am eager to make a meaningful impact in the lives of others.
