As a Student Ambassador, you will be a proactive advocate for positive change and a catalyst for empowering underserved students. Through Inspira's programs and initiatives, we see an incredible opportunity to make a meaningful impact in students' lives, and we hope that you become a part of the team. This commitment is one year, and it follows the school year from September to June, however, the time is 5 hours a month, and meetings happen once a month for check-in and planning. Initiatives created to be executed by the student ambassadors are every other month.

As a Student Ambassador, you will:

- **Engage with local communities:** Actively collaborate with educators, parents, and community leaders to identify underserved students' unique needs and challenges.
- **Promote Workshops and educational opportunities:** Leverage various platforms, including social media, local events, and school visits, to spread awareness about Inspira's programs and encourage students to take the opportunities available.
- **Collaborate with fellow ambassadors:** Be Inspira's leaders and bring onboard others who share the mission and vision.

By becoming our Ambassador, you will receive perks, a travel/gas stipend will be available, coaching and mentorship one-on-one with our experienced professionals, resume, mock interviews, and scholarship essay editing.

Thank you for considering becoming a Student Ambassador for Inspira NJ. We hope to hear back from you soon!
